

# WORCESTER & DISTRICT FOOTBALL LEAGUE NOTICEBOARDS SEASON 2008/2009

## **OCT/NOV 08**

### **CLUBS**

Some Clubs have not been contacting their referees and as a result have not had a referee for the fixture. The rule on page 46 10(d) clearly defines that clubs shall give two days notice to the referee and the away club. Clubs will be fined if this is not carried out. If you leave a message ensure your referee returns your call or call again to ensure the referee is on your game. If you cannot contact your referee then please call Dave Taverner or Jeff Widdett at least 24 hr before Kick Off.

Note- County Cup Officials are not appointed by the league they are allocated by the County and are listed on your County correspondence.

Can you please ensure you inform Bob Usher of your cup results both internal and external win or loose as it effects Bob producing the next set of fixtures which will go into January
